by me, it was pointed out by Senator Murphy, it was pointed out to him again on Friday and on Friday I, I charged that Senator Goodrich knew darned well what his amendment did and he refused at that time to move it back because he did--wasn't ready to make his next move. Now he's an expert at manipulation and he's an expert at reading my mind but he's not going to get away with this and I think that he, he plainly
